METRO POLICE DEPARTMENT

INFORMAL TENDER
SPECIFICATION – SUPPLY & DELIVER CLEAR LONG DISPOSABLE MOUTHPIECES COMPATIBLE WITH A DRAGER ALCOTEST 6000 AND ALCOTEST 6820

Purpose

The purpose of this informal tender is for the supply and delivery of 5000 (five thousand) clear, long, disposable mouthpieces compatible with the Drager Alcotest 6000 and 6820 handheld alcohol testing devices for use by the Metro Police Department in the performance of alcohol breath testing.

The appointed supplier shall be responsible for supplying and delivery the required mouthpieces in accordance with the requirements and technical specifications contained in this document.

Item Schedule

No.	Item Description	Minimum specification	Quantity
1.	Clear Long Disposable mouthpieces compatible with Drager Alcotest 6000 and Alcotest 6820 	Clear, long Standard / Slide and Click type disposable mouthpieces specifically designed for and fully compatible with Drager Alcotest 6000 and Drager Alcotest 6820 handheld alcohol testing devices. Mouthpieces must be individually hygienically packaged, new and unused, and suitable for reliable breath alcohol testing.	5000

Technical Specification Requirements

The supplier shall comply with the following technical requirements:
Supply the disposal mouthpieces that must be the clear, long Standard / Slide and Click type.
The mouthpieces shall be fully compatible with both the Drager Alcotest 6000 and Drager Alcotest 6820 handheld alcohol testing devices.
The mouthpieces shall be disposable and intended for single use.
Each mouthpiece shall be individually hygienically packaged to prevent contamination before use.
The mouthpieces shall allow quick, secure and correct attachment to the Alcotest 6000 and Alcotest 6820 devices.
Disposal mouthpieces shall provide suitable airflow and low breathing resistance for reliable breath sampling.
The mouthpieces shall incorporate the appropriate spacer/design to maintain a hygienic distance between the test subject's mouth and the device housing.

The mouthpieces shall allow easy and hygienic removal from the device after completion of the test.
The mouthpieces shall not interfere with or adversely affect the normal operation or functionality of the Alcotest 6000 or Alcotest 6820.
Mouthpieces with a non-return valve are preferred for enhanced hygiene.
The material has been tested for skin sensitivity and cytotoxicity, confirming that the standard mouthpieces are safe for skin contact and mouth use.
The mouthpieces shall be supplied in packaging that protects them against contamination, damage and deterioration during transportation and storage.

General requirements
All mouthpieces supplied shall be:

1. New and unused
2. Clear in colour
3. Long in design
4. Disposable and intended for single use
5. Fit for purpose
6. Individually hygienically packaged
7. Fully compatible with both Drager Alcotest 6000 and Alcotest 6820 devices.
8. Of acceptable quality and workmanship
9. Compliant with applicable legislation, regulations and standards

The Municipality reserves the right to request a sample of the proposed mouthpiece prior to award for verification of the required colour, dimensions, design and compatibility with the Municipality's existing Drager Alcotest 6000 and Alcotest 6820 devices. The supplier will be responsible for the courier/delivery costs of the requested sample, if required by the sub-directorate.

Minimum Requirements
The supplier shall provide/comply with the following:
1.1 Mandatory documents required after the closing date of the tender:

a) Sample or certificate of the sample of a clear, long disposal mouthpiece.
b) The mouthpieces must be compatible with both the Drager Alcotest 6000 and Drager Alcotest 6820 handheld alcohol testing devices.
c) .

1.2 Mandatory documents required after the closing date of the tender:

a) Manufacturer's product datasheet or equivalent official documentation for the mouthpieces offered.
b) The documentation must clearly identify the manufacturer's product/part number and confirm that the specific product offered is compatible with both the Drager Alcotest
c) 6000 and Drager Alcotest 6820

Completed pricing schedule as a returnable document uploaded on informal tender website Before the closing date of informal tender

Failure to provide mandatory documentation or to comply with the minimum requirements may result in the submission being considered non-compliant, subject to the applicable procurement requirements.
